AGING IN PLACE

WITH ASSISTED LIVING
MEMORY CARE

Aging in Place with Assisted Living

The Only Memory Care Facility in the Area Offering Aging in Place with Assisted Living that includes long-term assistance with activities of daily living AND Medicare-covered short-term rehabilitation and skilled nursing. This continuum of care allows your loved one to move into Alden Courts of Shorewood at a higher level of functioning and progress through the neighborhoods – and level of care needed – as they go through their journey of dementia.

Assisted Living at Its Best

Have peace of mind knowing your loved one has the care and setting they need to feel nurtured, cared for and comfortable. Assistance when and how you need it with dressing, bathing, eating, medication management and more.

Engaged and Active – Life Enrichment Program

We offer a wide range of programs to keep residents engaged. Our Life Enrichment Program provides evidence-based and therapeutic-based programs and recreational activities that provide many health and quality of life benefits, including:

- Ayurveda Wellness Sessions
- Light Therapy
- Pet Therapy
- Aroma Therapy
- Music Therapy
- Family Orientation and Support Groups

Home-Like, Secure and Comfortable

Accommodations feature private and semi-private deluxe rooms with fireplace mantel, bookshelves and natural light. The home-like setting reminds one of a living room that is comfortable and calming. And, doors are secured and monitored 24/7 to ensure a safe home setting.
